ICS-201: INCIDENT BRIEFING				eICS by Rhodium	
Incident Name: [Memorial Day Weekend 2017]		Date / Time Prepared: 04-09-2017 22:13		Operational Period: Op Hours 0600 - 1800 / 1800 - 0600	
Map / Sketch: Include sketch, showing the total area of operations; the incident site/area, impacted and threatened areas; overflight results, trajectories, impacted shorelines, or other graphics depicting situational status and resource assignment.					
					
Situation Summary and Health and Safety Briefing: <i>For briefings or transfer of command. Recognize potential incident Health and Safety Hazards and develop necessary measures (remove hazard, provide personal protective equipment, warn people of the hazard) to protect responders from those hazards.</i>					
All officers and personnel will use due care throughout this operation utilizing all provided safety equipment to include bulletproof vests, traffic vests and any other issued equipment applicable. All officers will follow all Emergency Vehicle Operation procedures as well as all departmental policies and regulations.					
Current and Planned Objectives: The Myrtle Beach Police Department in conjunction with the City of Myrtle Beach has been tasked with coordinating the enforcement efforts for Memorial Day Weekend. This will be a multi-agency collaborative effort within the City to include federal, state, county and local resources.
